

## Townsville Medical Staff Society

- ✓ **Advocacy**
- ✓ **Collegiality**
- ✓ **Education**
- ✓ **Mentorship**

The Townsville Medical Staff Society is truly unique. Unlike most hospital medical societies which focus mainly on junior doctors, the TMSS engages all levels of medical staff in the hospital. Our members include interns, RMOs, registrars, SMOs, and everyone in-between! From organising social events and educational meetings, to advocating for changes in hospital policy and protocol, our goal is to constantly improve the lives of our colleagues. Whether you're new to Townsville, or have been working here your entire career, join TMSS and help us help you!

Membership also include:

Free use of coffee in the Mt Stuart room

Free or discounted entry into social events including Start of Year Welcome Drinks, End of Term Drinks, Annual Gala Ball, Annual Cocktail Party, Sporting Days, Research and Education Evenings and Mt Stuart room functions.
